PRESIDENT'S MESSAGE 會長序言

The year passed has seen sports revived, normalcy returned and Hong Kong athletes scaling to loftier heights. The sporting culture of which we have exalted has blossomed as new records are reached and old ones breached, crafting a splendid chapter in the sports development of the country.

Ever since we embarked upon the course to cultivate sports as a creed, our community has rallied to the call. The Asian Games has always been regarded as the window to open us to the rest of the world. Through this window, we can witness the pinnacle of sporting prowess and the latest sporting achievements in Asia, and experience the warm support from the communities.

For us, the Asian Games is pivotal as veterans aspire to leave in a blaze and their successors, rookies some of them, strive to step into the breach and make their mark. Although the Asian Games in Hangzhou has been postponed for a year due to the COVID-19 pandemic, the deferment gave us more time and extra impetus to prepare. The largest-ever delegation we are sending to the Asian Games showcases the results of the systematic training across various disciplines.

With the enhanced promotion and support from the Government of the Hong Kong Special Administrative Region, our athletes have excelled in the international and Asian sporting arena. The remarkable results have significantly increased public interest in sports and garnered extensive media coverage, driving a surge of sports enthusiasm within the society. Heartfelt wishes for our athletes to make great strides and for the flourishing of sports development in Hong Kong!

Timothy T. T. FOK

President

Sports Federation & Olympic Committee of Hong Kong, China

過去一年，在社會全面復常的推動下，作為國際體育盛事之都的香港，積極搭建對外體育文化交流大橋，運動員亦繼續發光發亮，在國際體壇大放異彩，為國家建設為體育強國添加了香港璀璨的篇章。

每逢大型體育賽事，社會必定掀起一股體育熱潮。亞運會一向被視為「亞洲之窗」，通過這扇窗，可以了解整個亞洲體育運動的最高水平、感受亞洲地區民眾的親善，以及反映區內的最新體育成就。

對香港而言，亞運會是其中一個有最多機會讓本地健兒揚威的舞台。杭州亞運因疫情順延一年舉行，運動員因而有更充裕的時間備戰。今屆亞運會中國香港派出歷來最大規模的代表團參賽，新星、老將、中生代濟濟一堂，反映港隊在不少項目已建立有系統的培訓階梯，期待一眾運動員在賽事中突破自己，不負眾望，為國為港增光，弘揚亞運風采、鑄就港隊榮耀！

近年，隨著特區政府加強推動和支持香港的體育發展，本地運動員在國際及亞洲賽事中屢創佳績，大大提高了市民對體育運動的興趣，社會各界特別是媒體更多報道體育盛事和香港運動員的最新消息，帶動社會運動風潮，提升社會凝聚力，為社會注入正能量。祝香港運動員繼續成績大躍進、本港體育發展更蓬勃！

REVIEW & PROSPECT 回顧與展望

Hong Kong has been riding out of the storm of the COVID-19 pandemic over the past year. The Sports Federation & Olympic Committee of Hong Kong, China (SF&OC), joining hands with Member Associations and collaborative organizations, have injected vitality into the community through sports for the full recovery and return of normalcy, and actively promoted local sports development and strengthened the support to athletes.

Due to the pandemic, the Hangzhou 19th Asian Games was postponed for a year but our preparation work did not come to a halt. We maintained close communication with stakeholders and made timely adjustments to the arrangements. In view of the postponement, SF&OC appointed four new Members of the Selection Committee to carry out the preparation work, including confirmation of the selection criteria and a briefing to relevant National Sports Associations on the updated arrangements.

To encourage the public to stay active during the pandemic, the Olympic Day this year was held for the first time in the form of "virtual run". Participants who completed the distance anywhere in Hong Kong could receive a gift pack, enjoying the pleasure of sports.

Strengthening the support to athletes is crucial to fostering local sports development. During the year we signed Memorandum of Understanding with The Hang Seng University of Hong Kong and The Technological and Higher Education Institute of Hong Kong respectively. It provides eligible athletes with flexible arrangements of their study programmes, allowing them to pursue diverse development opportunities in training, competition, education, and career planning.

Last but not least, we sincerely thank the Government of the Hong Kong Special Administrative Region, Member Associations, our sponsors and partners for their contributions and continued support. Moving forward, we have great confidence that we can overcome any challenges with strong resilience. We also extend our best wishes to the athletes for continued breakthroughs on the world stage.

Honorary Secretary General
Sports Federation & Olympic Committee of Hong Kong, China

香港在過去一年積極走出2019冠狀病毒病疫情的陰霾，中國香港體育協會暨奧林匹克委員會（港協暨奧委會）聯同各體育總會和合作機構／團體，跟社會各界一同踏上全面復甦之路，透過體育為社區注入動力，繼續積極推動本地運動發展，以及加強對運動員的支援。

受疫情影響，杭州第19屆亞運會延期一年舉行。然而，我們的準備工作未有因此停下來，持續與各持份者保持緊密聯繫，適時調整各項安排。因應賽事延期，本會委任了四位新的遴選委員會成員，以進行相關籌備工作，包括確認最新的港協暨奧委會運動員遴選準則，以及向體育總會講解最新安排。

為了鼓勵市民在疫情下持續運動，本年度的奧運日首次以「虛擬跑」形式舉行，參加者在香港任何地方都可完成路程並獲得禮品包，享受做運動的樂趣。

要讓本地運動蓬勃發展，對運動員的支援極為重要。我們與香港恒生大學及香港高等教育科技學院簽署合作備忘錄，為合資格運動員提供彈性的升學安排，讓他們在訓練、比賽、升學、職業生涯規劃等方面多元發展，積極協助運動員未雨綢繆。

最後，我們衷心感謝特區政府、各體育總會、商界和合作夥伴一直以來的支持，攜手渡過這段艱難時期。疫情過去，我們展望將來，無論遇到任何挑戰，都能以運動員的堅毅精神去面對。我們亦祝願香港運動員繼續突破自我，在世界舞台再創佳績，以體育凝聚社會力量！

Guidelines on Handling Playing of National Anthem and Raising of Regional Flag

Since November 2022, the National Anthem has been misplayed on several occasions in different international sports events. Instead of the "March of the Volunteers", a song that was subversive in nature was played. To forestall the recurrence of the misplay and mishandling of the National Anthem and the Regional Flag at international sports events, SF&OC, in consultation with the Government, held a briefing session on 24 November 2022 on the Guidelines on Handling the Playing of the National Anthem and Raising of the Regional Flag for Hong Kong Athletes and Teams Engaging in International Sports Events for Member Associations to explain the relevant instructions and measures to their office bearers and staff. Over 350 representatives from Member Associations joined the briefing session either in-person or online. Mr. Paul CHENG, Acting Commissioner for Sports of Culture, Sports and Tourism Bureau, and Ms. Eugenia CHUNG, Principal Assistant Secretary of Constitutional and Mainland Affairs Bureau also attended the session.

Inclusion of "Hong Kong, China" in Registered Name

SF&OC conducted a review on the progress of using "Hong Kong, China" in the registered name of Members Associations in late 2022. It was noticed that a number of Member Associations have yet to include "Hong Kong, China" in the registered names and they were requested to complete the process before 1 July 2023. For the Member Associations that need more time to complete the process, SF&OC has granted discretion in view of individual circumstances that allowing these associations to complete the relevant process as soon as practicable. The updated registered names of Member Associations as at 31 October 2023 are listed in Annex 3.

播放國歌和升掛區旗的指引

自 2022 年 11 月起，國歌曾多次在不同的國際體育賽事中被錯誤播放。主辦方播出的不是《義勇軍進行曲》，而是一首具顛覆性質的歌曲。為防止在國際體育賽事中誤播國歌及誤用區旗的情況再次發生，本會經與政府商討後，於 2022 年 11 月 24 日為轄下所有會員舉行《香港運動員及隊伍參與國際體育賽事期間處理播放國歌和升掛區旗的指引》（《指引》）簡報會，向體育總會的委員及工作人員說明《指引》的相關內容和措施。簡報會有超過 350 名體育總會代表在現場及線上參與，文化體育及旅遊局署理體育專員鄭青雲和政制及內地事務局首席助理秘書長鍾雅之均有列席。

註冊名稱冠以「中國香港」

本會於 2022 年底檢視各體育總會於其註冊名稱冠以「中國香港」的進展，發現部份體育總會尚未正名，因此要求相關體育總會於 2023 年 7 月 1 日前完成註冊正名程序；而個別體育總會需時完成有關程序，本會已按個別情況酌情處理，容許總會在可行情況下盡快完成。附錄三載列截至 2023 年 10 月 31 日已完成註冊正名程序的體育總會的更新註冊名稱。

Corporate Governance Team

Corporate Governance Team (the Team) was set up in October 2020 with the mission to examine the governance level of Member Associations under SF&OC by conducting reviews of the governing documents and interviews with the Office Bearers. Based on the findings obtained from the review, a report outlining the overall performances of Member Associations with recommendations on how to enhance their governance level will be submitted to the Government for consideration. The Team is also responsible for devising a "Code of Governance" for compliance and arranging thematic seminars for Member Associations with a view to uplifting the level of governance.

By the end of March 2023, the Team has completed the review of 66 Member Associations which accounted for 86% of the targeted number. Fully committed to keeping Member Associations and relevant stakeholders abreast of the progress and findings of the review, the Team conducted the "Annual Briefing on Progress of Corporate Governance Review" on 12 May 2022. In the briefing, the overall performances and areas identified for improvements were specifically highlighted.

During the year, three thematic seminars were arranged, namely "Legislations Relevant to the Participation in Multi-Sports Games", "Competition Ordinance on Membership Criteria and Procedures" and "Sports Arbitration and Mediation" to raise their awareness of corporate governance. The seminars provided tacit knowledge on the relevant topics and were well received.

The Team is now compiling the "Code of Governance" with related guidelines and procedures for Member Associations. It aims to serve as a useful tool in providing reference for Member Associations on recommended best practice in order to relieve the pressure and workload encountered in elevating their level of governance.

機構管治小組

機構管治小組在2020年10月成立，旨在透過審視港協暨奧委會轄下體育總會（屬會）的管治文件，以及與屬會高層人員會面，檢視屬會的管治水平。小組會根據檢視所得的資料，編訂檢討報告，總結屬會在管治的整體表現，並提出建議及改善方案交予政府考慮。小組亦負責制定《機構管治手冊》及舉辦主題講座，以提升屬會的管治水平。

截至2023年3月底，小組已完成與66個屬會會面，佔總數的86%。為了讓各屬會及持份者知悉最新的檢討數據及分析結果，小組於2022年5月12日舉行了「週年體育總會機構管治檢討進度」簡報會，匯報屬會的整體表現，並特別指出在機構管治上有待改善的地方。

為進一步提升屬會的機構管治意識及水平，小組在本年度共舉辦了三個主題講座，分別為「體育總會參與綜合項目運動會有關法例」、「《競爭條例》— 體育總會／機構入會條件及程序」及「體育仲裁與調解」，屬會均踴躍參與，反應熱烈。

小組正制定《機構管治手冊》及相關程序和指引，就實施良好管治的建議方法供各屬會參考，以助減輕屬會在提升機構管治水平時所面對的壓力及工作量。

SPORTS DEVELOPMENT AND MAJOR LOCAL EVENTS 體育發展及本地大型活動

65th Festival of Sport 第65屆體育節

The key message for the 65th Festival of Sport (FOS) was "Stride Forward Hand-in-Hand". In order to foster community support and promote "Sports for All", over 30 FOS events were co-organized by the National Sports Associations (NSAs) from April to August 2022. More than 115 000 members of the public took part in the various activities of the 65th FOS.

Roving Exhibition

A roving exhibition was held at three different shopping malls between June to July to introduce the FOS events and showcase various pieces of Hong Kong athletes' sport equipment and objects, including medals won by the FOS Ambassadors at major games events.

Cathay 2021 Hong Kong Sports Stars Awards 國泰 2021 年度香港傑出運動員選舉

Due to the COVID-19 pandemic in Hong Kong, SF&OC postponed the Awards Presentation Ceremony of the Cathay 2021 Hong Kong Sports Stars Awards (the Awards) originally scheduled for 22 February 2022 to 31 August 2022.

SF&OC received 66 nominations from 33 Member Associations for the Awards. New award categories of "Hong Kong Sports Stars Awards for Men" and "Hong Kong Sports Stars Awards for Women" were introduced, whereby five athletes were awarded in each category. One male and one female awardee with the highest votes among the winners were titled the "Cathay Best of the Best Hong Kong Sports Stars Award for Men/Women" respectively. The award categories also included "Hong Kong Sports Stars Award for Team Only Sport" and "Hong Kong Sports Stars Awards for Team Event". After deliberation from the judging panel and the votes received from the media and public, 16 winners from the four categories were decided.

受 2019 冠狀病毒病疫情影響，原訂於 2022 年 2 月 22 日舉行的「國泰 2021 年度香港傑出運動員選舉」頒獎典禮，延至 2022 年 8 月 31 日舉行。

是次選舉共收到 33 個體育總會提交 66 個提名。本屆首次將傑出運動員獎項分為「香港傑出男運動員」及「香港傑出女運動員」，各設最多五個名額，當中得票最高的男／女運動員榮膺「國泰星中之星香港傑出男／女運動員」大獎。獎項亦包括「香港最佳運動隊伍」及「香港最佳運動組合」。經過評審團、傳媒及公眾的踴躍投票後，四大項目共 16 個獎項的得獎者已順利誕生。

Cathay 2022 Hong Kong Sports Stars Awards 國泰2022年度香港傑出運動員選舉

SF&OC received 96 nominations from 46 Member Associations for the Cathay 2022 Hong Kong Sports Stars Awards (the Awards). The four award categories remained the "Hong Kong Sports Stars Awards for Men", "Hong Kong Sports Stars Awards for Women", "Hong Kong Sports Stars Awards for Team Event", and "Hong Kong Sports Stars Award for Team Only Sport". The awardees with the highest votes for the "Hong Kong Sports Stars Awards for Men" and "Hong Kong Sports Stars Awards for Women" will be titled the "Cathay Best of the Best Hong Kong Sports Stars Award for Men/Women" respectively.

An organizing committee and a judging panel were appointed to review the nominations and select the awardees respectively. Other than the judges and local sports editors/reporters, the general public will also vote for all categories of the Awards to further increase public participation in sports events.

「國泰2022年度香港傑出運動員選舉」共收到46個體育總會提交96個提名。今年選舉繼續設有四個組別的獎項，包括「香港傑出男運動員」、「香港傑出女運動員」、「香港最佳運動組合」及「香港最佳運動隊伍」。其中「香港傑出男運動員」及「香港傑出女運動員」得票最高的運動員，將獲頒「國泰星中之星香港傑出男／女運動員」殊榮。

籌備委員會及評審團分別獲委任負責檢視提名名單及進行評選。除了評審團及本地體育新聞編輯／記者之外，市民亦可投票給四個選舉項目的運動員或隊伍，以進一步促進公眾參與體育活動。

Hong Kong Athletes' Forum 香港運動員論壇

The Athletes Committee held the "1st Hong Kong Athletes' Forum" on 26 November 2022, which aimed to provide a platform for athletes to exchange ideas and learn from each other, as well as encouraging them to develop other potential beyond sports.

The event started by a sharing session by athletes including CHEUNG Ka Long, TSE Ying Suet, Hayley CHAN, and Stephanie AU, followed by an experience session of Breaking, a new event of the Paris 2024 Olympic Games. During the sharing session, the athletes shared about their training and experiences when facing different opponents in order to inspire young athletes.

運動員委員會在2022年11月26日舉行了「第一屆香港運動員論壇」，旨在提供一個平台予運動員交流，在分享自身經驗之餘，亦能從其他運動員身上學習，藉此凝聚運動員力量，啟發他們發掘運動以外的潛質和專長。

論壇先有由包括張家朗、謝影雪、陳晞文和歐鎧淳在內的運動員主講的分享會，然後有巴黎2024奧運會新增項目霹靂舞的體驗環節。分享會上，運動員談及他們訓練的情況，以及比賽面對不同對手時的應對心得，希望以他們的經歷啟發年輕運動員。

Hangzhou 19th Asian Games 杭州第19屆亞洲運動會

Preparation

The 19th Asian Games (AG) was originally scheduled to take place from 10 to 25 September 2022 in Hangzhou, China. However, due to the COVID-19 pandemic, the Olympic Council of Asia (OCA) announced on 6 May 2022 that the Hangzhou 19th AG would be postponed to 2023. OCA subsequently confirmed on 19 July 2022 that the Hangzhou 19th AG would be held from 23 September to 8 October 2023.

Owing to the postponement of the 19th AG and the election of Board Members at SF&OC's Annual General Meeting on 14 December 2022, Mr. Edgar YANG, Honorary Secretary General of SF&OC, was appointed as the Chairperson of the 19th AG Selection Committee and four new Selection Committee Members were appointed in January 2023.

The second meeting of the Selection Committee was held in February 2023 to discuss and confirm the updated SF&OC's athletes selection criteria for the 19th AG. A briefing to NSAs was organized to explain the updated selection criteria and the NSAs were invited to express their interest to participate in the 19th AG on or before 28 February 2023.

準備工作

第19屆亞洲運動會（亞運會）原訂於2022年9月10至25日在中國杭州舉行。由於2019冠狀病毒病疫情，亞洲奧林匹克理事會（亞奧理事會）於2022年5月6日宣布第19屆亞運會將延至2023年舉行，並於2022年7月19日確定舉辦日期為2023年9月23日至10月8日。

因應第19屆亞運會延期，以及於2022年12月14日港協暨奧委會周年大會舉行的董事會委員選舉，董事會於2023年1月委任義務秘書長楊祖賜為遴選委員會主席，並委任了四位新遴選委員。

遴選委員會於2023年2月召開第二次會議，討論並確認了港協暨奧委會就亞運會的最新運動員遴選準則，本會亦安排了一個簡介會，向相關的體育總會講解最新的遴選準則，並邀請體育總會於2023年2月28日或之前回覆參加第19屆亞運會的意向。

Collaborations with HKDI

To show support to the athletes competing in the Hangzhou 19th Asian Games, while encouraging young people to leverage their creativity to take part in this mega sports event, SF&OC cooperated with the Hong Kong Design Institute in 2022 to invite design proposals of a mascot from its students for cheering on the Hong Kong, China Delegation.

With an overwhelming response, more than 60 designs with the theme "Supporting Hong Kong Athletes to Compete in the Hangzhou Asian Games" were received. Among the proposals, a lion mascot "Rock", designed by Joey POON Cho Ying, a student in Advertising Design at the Department of Communication Design, was chosen.

與香港知專設計學院合作

為全力支持運動員參加杭州第19屆亞運會，同時鼓勵年青人發揮創意，共同投入這項體壇盛事，本會於2022年與香港知專設計學院合作，邀請該學院為港隊設計全新的吉祥物，為中國香港代表團打氣。

徵集的吉祥物以「支持香港運動員出戰杭州亞運」為主題，活動反應踴躍，共接獲60多份優秀的設計，最後由傳意設計系廣告設計高級文憑學生潘祖瑩同學設計、名為「堅仔」的獅子吉祥物脫穎而出。

奧林匹克之友一直與各體育總會合作，定期舉辦不同的運動體驗，並邀請現役或退役運動員作客席導師。奧林匹克之友在本年度舉辦了親子空手道體驗班，由前精英運動員馬文心教授，與一眾親子會員同樂，而太極拳體驗班則由武術運動員莫宛螢任教，並邀請了智障人士一同學習。

Advocating for Post-Pandemic Sports for All

To advocate for post-pandemic sports for all, OFC gradually resumed organizing physical events during the year. The "Discover Olympic House with Shuttlecock Experience" was comprised of a guided tour to the Olympic House and a shuttlecock experience session conducted by Mr. NG Yiu Keung, Head Coach of Hong Kong Shuttlecock Team. Former athletes, including WONG Tsz Ching (Cheerleading), CHENG Wing Hang (Shuttlecock) and YUEN Ka Ying (Wushu) were also invited as guest speakers to introduce Olympism and share about their experience in sports and anecdotes of the Olympic Games.

推動疫後全民運動 舉辦實體「體」驗班

為推動疫後全民運動，奧林匹克之友在本年度陸續復辦各類型實體活動，當中包括「奧運大樓導賞『體』驗一足毽班」，會員除了參觀奧運大樓，了解港協暨奧委會的工作外，亦由香港足毽代表隊總教練吳耀強教授足毽入門技巧。活動也分別邀請了前運動員，包括黃紫程（競技啦啦隊）、鄭永恒（足毽）和袁家瑩（武術）作客席講師，講解奧林匹克主義及分享他們的運動經驗和奧運會的趣聞。

Strengthening Connections

By hosting the SF&OC Christmas Dinner, OFC established a platform for partners from various sectors to gather and communicate, and expressed gratitude for their support to SF&OC. Apart from inviting photographers from a social enterprise to provide photography services at the dinner, OFC also invited a bakery that supports rehabilitated youth to produce cookie gift sets for the guests.

積極連繫各界 建立良好交流平台

奧林匹克之友透過舉辦港協暨奧委會聖誕晚宴，聯繫不同界別的合作夥伴共聚一堂，建立交流平台，並答謝他們對本會的支持。本會亦特意與不同社會企業合作，為大會提供攝影服務，並邀請青少年更生人士製作回禮曲奇。

Hong Kong Branding Expo 香港品牌博覽會

SF&OC participated in the "CMF Hong Kong Branding Expo", which was held at the AsiaWorld-Expo from 21 to 23 October 2022, showcasing the history and work of SF&OC, as well as the efforts and achievements of Hong Kong athletes in the international sports arena over the years.

OFC recruited new members during the event in order to promote Olympism and encourage them to support Hong Kong athletes through various activities.

本會於2022年10月21至23日參與了在亞洲國際博覽館舉行的「CMF香港品牌博覽會」，向公眾介紹港協暨奧委會的歷史和工作，以及香港運動員多年來在國際體壇上的努力和成就。

奧林匹克之友在現場招募新會員，期望透過不同活動，讓會員認識奧林匹克精神，一同支持香港運動員。

ATHLETES CAREER AND EDUCATION SUPPORT 運動員就業及教育支援

Signing MOU with HSUHK and THEi

To provide all-rounded education support to retired athletes, SF&OC signed MOU with The Hang Seng University of Hong Kong (HSUHK) and Technological and Higher Education Institute of Hong Kong (THEi) with the aim of offering flexible study arrangements to athletes planning to retire or those who have already retired.

Signed MOU with HSUHK to Support Dual Pathways on Education and Career Planning for Athletes

Under the partnership framework, HSUHK provides flexible study arrangements for athletes recommended by SF&OC. For each academic year, Hong Kong Athletes Career and Education Department (HKACED) can nominate a maximum of five athletes for admission to HSUHK's undergraduate or postgraduate programmes. To better accommodate athletes' training needs, as well as competition and study schedules, HSUHK will extend the study duration for athletes on a need basis and provide them with designated support in academic and career planning.

Signed MOU with THEi to Provide Progression Pathways for Retired Athletes' Transformation

HKACED can nominate athletes who have been verified by National Sports Associations to enroll in the Bachelor of Social Sciences (Honours) in Sports and Recreation Management Programme offered by THEi. HKACED will also provide scholarship, consultation and life skills training to eligible athletes for their smooth transition into the workforce. On the other hand, THEi offers more flexibility for athletes nominated by HKACED including giving priority to athletes who fulfill the entry requirements, suitably adapting the study duration to accommodate their training needs, and arranging classes flexibly to enable athletes to obtain a higher academic qualification while keeping up with their training and tournament schedules.

Mr. Timothy FOK (right), President of SF&OC, and Prof. Simon HO (left), President of HSUHK sign the MOU.

與香港恒生大學及香港高等教育科技學院簽署合作備忘錄

為了讓運動員退役後得到全方位的學習支援，本會分別與香港恒生大學（恒大）及香港高等教育科技學院（THEi 高科技院）簽署合作備忘錄，為即將退役或已退役的運動員提供彈性的升學安排。

與恒大簽署合作備忘錄 支援運動員升學及職業生涯規劃雙軌發展

在合作框架下，恒大將為本會推薦的運動員提供靈活修讀安排。香港運動員就業及教育部（HKACED）每學年可提名最多五名合資格運動員報讀恒大學士或碩士課程。此外，為兼顧運動員的運動訓練、比賽及學習需要，恒大會按需要安排延長其修讀年期，並提供學習指導及職業生涯規劃等，協助學生運動員確立個人發展路向。

與THEi 高科技院簽署合作備忘錄 為退役運動員提供升學機會助轉型

透過合作備忘錄，HKACED可提名體育總會認可的運動員報讀THEi 高科技院運動及康樂管理（榮譽）社會科學學士課程，並為合資格運動員提供獎學金、教育諮詢及生活技能培訓課程等，讓他們早日適應職場。另一方面，THEi 高科技院為獲HKACED提名的運動員提供彈性安排，包括優先取錄符合入學資格的運動員、按照運動員的訓練進度調節修讀年期，以及彈性安排課堂等，讓他們可以兼顧訓練和比賽日程的同時，取得更高學歷。

THEi is one of the few institutes in Hong Kong that offers a bachelor's degree related to sports injury prevention and therapy.

THEi 高科技院是香港少數提供與運動治療及訓練相關學士學位課程的院校。

Kai Tak Sports Park Education Programme

Co-organized by HKACED and Kai Tak Sports Park, Cohort 2 of the "Kai Tak Sports Park Education Programme" successfully concluded in August 2022. The programme aims to enhance the competitiveness of athletes who have the interest to pursue a career in sports management industry and to expand their network. Athletes learn of the knowledge and skills in the industry through attending seminars and participating in community sports events. In addition, experts of different fields in the Kai Tak Sports Park project are introduced as mentors of the athletes. Their sharing of experience and expertise enable the athletes to further understand the work of the Sports Park. The programme also comes with internship opportunities for athletes with outstanding performance to participate in the preparatory work of the opening of the Kai Tak Sports Park.

Joined by guests, athletes of Cohort 1 and 2 attend the graduation ceremony.

"All for Sports, Legacy for All" Celebration

Over 400 athletes, friends and OFC members participated in "All for Sports, Legacy for All" Celebration, organized by HKACED at Hong Kong Disneyland on 26 March 2023. The event aimed at uniting athletes who have contributed to the Hong Kong sports industry, at the same time promoting the Olympic Spirit to the community, and injecting fresh vitality into the city by advocating sports for all in the post-pandemic era.

To reflect the theme of "All for Sports, Legacy for All", physical fitness challenge, taekwondo and muay thai experience classes were organized for the participants with the introduction and demonstration carried out by HKACED Sports Legacy coaching team and former Hong Kong team athletes.

「全城運動 運動傳承」慶典

超過 400 位運動員攜同好友，聯同奧林匹克之友會員，參加了由 HKACED 於 2023 年 3 月 26 日假香港迪士尼樂園舉辦的「全城運動 運動傳承」慶典。這次活動旨在凝聚一眾為香港體壇付出的運動員，藉此向社區宣揚奧林匹克精神，推動疫後全民運動，為城市注入活力。

為切合「全城運動 運動傳承」主題，活動當日進行了六角圖體能大挑戰、跆拳道及泰拳體驗班，所有運動體驗均由 HKACED 奧夢成真團隊的前港隊運動員教授，透過運動傳承實踐全城運動。

On the other hand, WONG Kam Po, "Stars to Shine" Mentorship Programme mentor, and Hayley CHAN, former windsurfing athlete who competed in the Tokyo Olympics and member of HKACED Committee, shared their experience and career transformation with more than 40 OFC members and families from Evangelical Lutheran Church Social Service – Hong Kong.

In addition, 10 winning entries of the "All for Sports, Legacy for All" video contest have been shortlisted by jury panel and public voting.

另一方面，「星星伴轉型」學長黃金寶，以及曾出戰東京奧運的前滑浪風帆代表兼HKACED委員會委員陳晞文，向現場超過40名奧林匹克之友會員及基督教信義會社會服務部的學員，分享了運動員轉型的心路歷程。

此外，「全城運動 運動傳承」短片拍攝比賽，經過評審篩選及公眾投票後，已順利選出10份得獎作品。

GO Play Olympics

With the ongoing support of strategic partners and sponsors, Lee Hysan Foundation and Chow Tai Fook Charity Foundation, SLCL continued to implement the Go Play Olympics! Programme in primary schools in 2021-2022 school year. Fitness and sports activities were carried out for primary school students to share the joy of sports and promote students' physical and mental development. The Programme, spanning across four years from September 2018 to August 2022, was implemented in 35 schools and benefited around 15 000 students.

由2023年4月1日起，香港運動員就業及教育計劃正式改名為「香港運動員就業及教育部」，為運動員轉型提供更全面的支援。

ANTI-DOPING TESTING AND EDUCATION 運動禁藥管制檢測及教育

Testing Programme

As at 31 March 2023, the Hong Kong Anti-Doping Committee (HKADC) Testing Pools included a total of 300 elite athletes from 33 sports. During the reporting period, HKADC conducted a total of 380 out-of-competition tests, 75 of which were performed overseas; and 15 in-competition tests at four local events. Furthermore, 15 in-competition tests were carried out at three international and local events under paid service agreement. Two instances of anti-doping rules violation, involving a contract bridge athlete and an athletics athlete being tested positive, were found. The contract bridge athlete and the athletics athlete were sanctioned for 8 months and 24 months of ineligibility respectively.

Education Programme

During the year, HKADC conducted 17 anti-doping talks, one anti-doping talk for athletes returning from sanction and six outreach programmes for Member Associations and other related organizations that involved a total of over 4 800 athletes and relevant individuals. In addition, HKADC organized 11 education talks for over 2 200 secondary school students and teachers. To keep stakeholders abreast of the latest anti-doping information, in addition to regularly publishing the quarterly newsletter "TrueSelf", HKADC also designed four infographics on various important anti-doping topics. The "Fairplay Friday" series on HKADC Facebook Page was also updated monthly to promote the importance of sportsmanship and fair play by sharing Hong Kong athletes' thoughts.

藥物檢測計劃

截至2023年3月31日，共有300位來自33個運動項目的精英運動員被納入香港運動禁藥委員會（禁藥委員會）的藥檢名單。本年度內，禁藥委員會共進行了380個賽外藥物檢測，其中75個於海外進行；以及在四個本地賽事進行了15個賽內藥物檢測。此外，禁藥委員會以收費服務協議形式，為三個本地國際賽事及本地賽事進行了合共15個賽內檢測。委員會在本年度處理了兩宗違反運動禁藥管制規條個案，涉及的橋牌運動員及田徑運動員被驗出陽性檢測結果，因而分別被處分停賽8個月及24個月。

教育計劃

本年度內，禁藥委員會為各體育總會及有關機構舉辦了17次運動禁藥管制講座、一次違反運動禁藥管制規條的運動員重返體育界之運動禁藥管制講座及六次外展教育計劃，總共有超過4 800位運動員及有關人士參與。委員會亦為超過2 200位中學師生舉辦了11次教育講座。為協助持份者掌握最新的運動禁藥管制資訊，委員會除了定期出版季刊《TrueSelf》外，亦製作了四款資訊圖表，將重要的運動禁藥管制主題圖像化，同時透過每月於Facebook專頁推出「Fairplay Friday」系列分享香港運動員的想法，從而推廣體育精神及公平競賽的重要。

Ms. Karen MAK, Assistant Manager (Education) of HKADC Office, attended the National Anti-Doping Organizations Workshop and the World Anti-Doping Agency Symposium 2023, two international conferences from 12 to 15 March 2023 in Lausanne, Switzerland. The Symposium emphasized on the significance of anti-doping education towards athletes and the cruciality to establish the best customized educational programmes for athletes and their support personnel.

Rename of Hong Kong Anti-Doping Committee

Due to the independence of HKADC from 1 April 2023, a new company namely "Anti-Doping Organization of Hong Kong, China Limited" was incorporated and takes up all the business of HKADC.

參與海外運動禁藥管制活動

香港運動禁藥委員會助理經理(教育)麥嘉欣出席了於2023年3月12至15日在瑞士洛桑舉行的地區運動禁藥管制組織協會工作坊及2023世界運動禁藥機構年度會議。該會議強調運動禁藥教育對運動員的重要，以及為運動員及其支援人員制定合適的教育計劃至為關鍵。

更改香港運動禁藥委員會名稱

由2023年4月1日起，香港運動禁藥委員會已獨立運作，其所有業務經已由新成立的公司「中國香港運動禁藥管制機構有限公司」接管。

PROMOTION 宣傳推廣

To effectively disseminate the latest information to the public, SF&OC has strengthened the use of social media by launching an Instagram page in December 2022. Apart from promoting the diverse activities organized by SF&OC to call for public participation, updates on Team Hong Kong's participation in various sports events are also provided to encourage the public to cheer for Hong Kong athletes.

為更有效向公眾發布最新資訊，中國香港體育協會暨奧林匹克委員會（港協暨奧委會）加強利用社交媒體，於2022年12月開設Instagram專頁，宣傳本會舉辦的多元化活動，推動公眾參與，以及發放港隊參加不同賽事的最新消息，鼓勵市民一同支持香港運動員。

SPONSORSHIP 贊助

Apart from the support of the Government of the Hong Kong Special Administrative Region, the work of SF&OC also relies on the generous support from commercial sponsors. SF&OC gratefully acknowledges the organizations listed for their ongoing sponsorship and support in facilitating the work of SF&OC and sports promotion in Hong Kong during the year.

港協暨奧委會的工作除了一直得到特區政府的全力支持外，亦有賴商業機構的慷慨贊助。本會衷心鳴謝所列贊助機構，在本年度繼續提供贊助及支援，以協助本會發展及推廣體育。

Sports Federation & Olympic Committee of Hong Kong, China

Directors' Report

The directors submit herewith their report and audited financial statements of Sports Federation & Olympic Committee of Hong Kong, China (the "Federation") for the year ended 31 March 2023.

Principal activities

The principal activities of the Federation are development and promotion of sports in Hong Kong.

Results

The results of the Federation for the year ended 31 March 2023 are set out in the statement of comprehensive income on pages 6 to 7.

According to the Federation's Articles of Association, distribution of surplus is not allowed.

Directors

The directors who held office during the year or during the period from the end of the year to the date of this report were:

Fok Timothy Tsun Ting (President)	
Lau Chiang Chu Vivien	(retired on 14 December 2022)
Kwok Chi Leung Karl	
Yue Kwok Leung Tony	
Stevenson Thomas Brian	
Hu Shao Ming Herman	
Tong Wai Lun William	
Fok Kai Kong Kenneth	
Mong Tak Yeung David	
Wong Man Chiu Ronnie	
Yang Joe Tsi	
Wong Po Kee	
Perry Ho Kim Fai	
Mok Kwan Yat	(elected on 26 April 2023)
Wong Leung Wai	
Au Hoi Shun Stephanie	(retired on 14 December 2022)
Wong Kam Po	(appointed on 14 December 2022)

Ms. Lau Chiang Chu Vivien retired by rotation at the conclusion of the Annual General Meeting of the Federation held at 14 December 2022. The Board of Directors would like to express its sincere gratitude to Ms. Lau for her valuable contribution to the Federation during her tenure of office.

In accordance with the Federation's Articles of Association, except for Ms. Au Hoi Shun Stephanie and Mr. WONG Kam Po, the representative of the Athletes Committee who shall hold office whilst and for so long as he/she satisfies the conditions attaching to his/her appointment in accordance with Article 11(2), the other directors are subject to the term limits and the cycle of election in accordance with Article 11(6).

Arrangements for acquisition of shares or debentures

At no time during the year was the Federation, a party to any arrangements to enable the directors of the Federation to acquire benefits by means of the acquisition of shares in, or debentures of, the Federation or any other company.

Sports Federation & Olympic Committee of Hong Kong, China

Directors' Report

Business review

The Federation recorded a total comprehensive loss of HK\$12.9 million for the year (2022: total comprehensive loss of HK\$2.2 million) due to a loss in fair value change of financial assets at fair value through profit or loss (FVPL) of HK\$13 million (2022: loss of HK\$11.5 million) recorded for the year as a result of the adjustment to the global financial market, compounded by rate hikes in the financial year. The fair value loss on financial assets represented an adjustment to the book value and did not involve any cash outflow from the Federation.

The Federation has built up a positive net asset of HK\$282 million (2022: HK\$295 million) and cash balances of HK\$66.8 million (2022: HK\$67.4 million) as at the reporting date of 31 March 2023. Together with the subvention from the Government of the HKSAR and the commercial sponsorship, the Directors are of the opinion that the Federation has sufficient liquidity and financial resources to fund its principal activities.

With the lifting of the COVID-19 pandemic control measures, sports activities and programmes gradually resumed in the second half of the financial year. The Federation will remain focused on sports development, and firmly believes that all these works to be done will eventually create value for our members, athletes and the community.

With the support from the Government, the Anti-Doping Organization of Hong Kong, China Limited ("ADOHK") was incorporated to take up all the business, assets and liabilities of the Hong Kong Anti-Doping Committee ("HKADC") under the Federation on 1 April 2023. Thus, the Federation ceased to have its control over the HKADC by 31 March 2023 and will coordinate with ADOHK to preserve a doping-free environment for fair play in sports.

The Federation has complied with the Olympic Charter and all applicable laws and regulations during the year.

For a more comprehensive review of the Federation's activities during the year, please refer to the message from the President and the closing remarks from the Hon. Secretary General in the Annual Report 2022-23.

Management contracts

No contracts concerning the management and administration of the whole or any substantial part of the business of the Federation were entered into or existed during the year.

Equity-linked agreements

The Federation never enter into any equity-link agreements at anytime during the year.

Permitted indemnity provisions

No permitted indemnity provision was in force during the year or is in force at the date of this report, for the benefit of a then director or a director of the Federation (whether made by the Federation or otherwise).

Auditor

A resolution will be submitted to the annual general meeting to re-appoint Mazars CPA Limited, *Certified Public Accountants*, as auditor of the Federation.

Approved by the Board of Directors and signed on its behalf by

Independent Auditor's Report

To the members of

Sports Federation & Olympic Committee of Hong Kong, China

(incorporated in Hong Kong with liability limited by guarantee and not having a share capital)

Opinion

We have audited the financial statements of Sports Federation & Olympic Committee of Hong Kong, China (the "Federation") set out on pages 6 to 39, which comprise the statement of financial position as at 31 March 2023, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the Federation as at 31 March 2023, and of its financial performance and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA") and have been properly prepared in compliance with the Companies Ordinance.

Basis for Opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Federation in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors of the Federation are responsible for the other information. The other information comprises the information in the **Annual Report 2022-23** of the Federation and the directors' report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Auditor's Report

To the members of

Sports Federation & Olympic Committee of Hong Kong, China

(incorporated in Hong Kong with liability limited by guarantee and not having a share capital)

Responsibilities of Directors for the Financial Statements

The directors of the Federation are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Federation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Federation or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. This report is made solely to you, as a body, in accordance with section 405 of the Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Federation's internal control.

Independent Auditor's Report

To the members of

Sports Federation & Olympic Committee of Hong Kong, China

(incorporated in Hong Kong with liability limited by guarantee and not having a share capital)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Federation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Federation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Sports Federation & Olympic Committee of Hong Kong, China

Notes to the Financial Statements

Year ended 31 March 2023

1. CORPORATE INFORMATION

Sports Federation & Olympic Committee of Hong Kong, China (the "Federation") is incorporated in Hong Kong with liability limited by guarantee and not having a share capital. The Federation's registered office is located at 2/F, Olympic House, 1 Stadium Path, So Kon Po, Hong Kong.

Every member of the Federation undertakes that if the Federation is wound up while he/she is a member, or within one year after he/she ceases to be a member, to contribute to the assets of the Federation an amount not exceeding HK\$100.

The principal activities of the Federation are development and promotion of sports in Hong Kong.

2. PRINCIPAL ACCOUNTING POLICIES

Basis of preparation

These financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"), which is a collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA"), accounting principles generally accepted in Hong Kong and the Companies Ordinance.

These financial statements have been prepared on a basis consistent with the accounting policies adopted in the 2022 financial statements. The new / revised HKFRSs that are relevant to the Federation and effective from the current year had no significant effects on the results and financial position of the Federation for the current and prior period. A summary of the principal accounting policies adopted by the Federation is set out below.

Basis of measurement

The measurement basis used in the preparation of the financial statements is historical cost, except for Designated FVOCI and financial assets at FVPL, which are measured at fair value as explained in the accounting policies set out below.

Discontinued operation

A discontinued operation is a component of the Federation that comprises operations and cash flows that can be clearly distinguished, operationally and for financial reporting purposes, from the rest of the Federation. It represents a separate major line of business to dispose of a separate major line of business. Classification as a discontinued operation occurs upon disposal or when the operation meets the criteria to be classified as held for sale, if earlier. It also occurs when the operation is abandoned.

Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Repairs and maintenance are charged to profit or loss during the year in which they are incurred.

Notes to the Financial Statements

Year ended 31 March 2023

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Property, plant and equipment (Continued)

Depreciation is provided to write off the cost less accumulated impairment losses of property, plant and equipment over their estimated useful lives from the date on which they are available for use and after taking into account their estimated residual values, using the straight-line method at the rates as set out below. Where parts of an item of property, plant and equipment have different useful lives, the cost or valuation of the item is allocated on a reasonable basis and depreciated separately:

Furniture and fixtures	15%
Leasehold improvement	50%
Machinery and equipment	20%
Motor vehicles	20%

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the item) is included in profit or loss in the year in which the item is derecognised.

Impairment of non-financial assets

At the end of each reporting period, the Federation reviews internal and external sources of information to assess whether there is any indication that its property, plant and equipment and right-of-use assets may be impaired or impairment loss previously recognised no longer exists or may be reduced. If any such indication exists, the recoverable amount of the asset is estimated, based on the higher of its fair value less costs of disposal and value in use. Where it is not possible to estimate the recoverable amount of an individual asset, the Federation estimates the recoverable amount of the smallest group of assets that generates cash flows independently (i.e. a cash-generating unit).

If the recoverable amount of an asset or a cash-generating unit is estimated to be less than its carrying amount, the carrying amount of the asset or cash-generating unit is reduced to its recoverable amount. Impairment losses are recognised as an expense immediately.

A reversal of impairment loss is limited to the carrying amount of the asset or cash-generating unit that would have been determined had no impairment loss been recognised in prior years. Reversal of impairment loss is recognised as income in profit or loss immediately.

Financial instruments

Financial assets

Recognition and derecognition

Financial assets and financial liabilities are recognised when and only when the Federation becomes a party to the contractual provisions of the instruments and on a trade date basis.

A financial asset is derecognised when and only when (i) the Federation's contractual rights to future cash flows from the financial asset expire or (ii) the Federation transfers the financial asset and either (a) the Federation transfers substantially all the risks and rewards of ownership of the financial asset, or (b) the Federation neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset but it does not retain control of the financial asset.

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Financial instruments (Continued)

Financial assets (Continued)

Classification and measurement

Financial assets (except for trade receivables without a significant financing component) are initially recognised at their fair value plus, in the case of financial assets not carried at FVPL, transaction costs that are directly attributable to the acquisition of the financial assets. Such trade receivables are initially measured at their transaction price.

On initial recognition, a financial asset is classified as (i) measured at amortised cost; (ii) debt investment measured at fair value through other comprehensive income ("Mandatory FVOCI"); (iii) equity investment measured at fair value through other comprehensive income ("Designated FVOCI"); or (iv) measured at fair value through profit or loss ("FVPL").

The classification of financial assets at initial recognition depends on the Federation's business model for managing the financial assets and the financial asset's contractual cash flow characteristics. Financial assets are not reclassified subsequent to their initial recognition unless the Federation changes its business model for managing them, in which case all affected financial assets are reclassified on the first day of the first annual reporting year following the change in the business model (the "reclassification date").

1) Financial assets measured at amortised cost

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVPL:

- (i) it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- (ii) its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at amortised cost are subsequently measured using the effective interest rate method and are subject to impairment. Gains and losses arising from impairment, derecognition or through the amortisation process are recognised in profit or loss.

The Federation's financial assets at amortised cost include receivables, deposits and prepayments, amount due from a related company and bank balances and cash.

2) Designated FVOCI

Upon initial recognition, the Federation may make an irrevocable election to present subsequent changes in the fair value of an investment in an equity instrument that is neither held for trading nor contingent consideration recognised by an acquirer in a business combination to which HKFRS 3 "Business Combinations" applies in other comprehensive income. The classification is determined on an instrument-by-instrument basis.

These equity investments are subsequently measured at fair value and are not subject to impairment. Dividends are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other gains or losses are recognised in other comprehensive income and shall not be subsequently reclassified to profit or loss. Upon derecognition, the cumulative gain or loss is transferred directly to accumulated profits or losses.

The Federation's financial assets at Designated FVOCI include listed equity securities.

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Financial instruments (Continued)

Financial assets (Continued)

Classification and measurement (Continued)

3) Financial assets at FVPL

These investments include financial assets that are not measured at amortised cost or FVOCI, including financial assets held for trading, financial assets designated upon initial recognition as at FVPL, financial assets resulting from a contingent consideration arrangement in a business combination to which HKFRS 3 applies and financial assets that are otherwise required to be measured at FVPL. They are carried at fair value, with any resultant gain and loss recognised in profit or loss, which does not include any dividend or interest earned on the financial assets.

A financial asset is classified as held for trading if it is:

- (i) acquired principally for the purpose of selling it in the near term;
- (ii) part of a portfolio of identified financial instruments that are managed together and for which there is evidence of a recent actual pattern of short-term profit-taking on initial recognition; or
- (iii) a derivative that is not a financial guarantee contract or not a designated and effective hedging instrument.

Financial assets are designated at initial recognition as at FVPL only if doing so eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise from measuring assets or liabilities or recognising the gains or losses on them on different bases.

The Federation's financial assets at FVPL include multi-assets funds.

Financial liabilities

Recognition and derecognition

Financial liabilities are recognised when and only when the Federation becomes a party to the contractual provisions of the instruments.

A financial liability is derecognised when and only when the liability is extinguished, that is, when the obligation specified in the relevant contract is discharged, cancelled or expires.

Classification and measurement

Financial liabilities are initially recognised at their fair value plus, in the case of financial liabilities not carried at FVPL, transaction costs that are directly attributable to the issue of the financial liabilities.

The Federation's financial liabilities include account payables and accruals, advance subvention and sponsorship, amount due to a related company and deposit received. All financial liabilities are recognised initially at their fair value and subsequently measured at amortised cost, using the effective interest method, unless the effect of discounting would be insignificant, in which case they are stated at cost.

Impairment of financial assets

The Federation recognises loss allowances for expected credit losses ("ECL") on financial assets that are measured at amortised cost to which the impairment requirements apply in accordance with HKFRS 9 "Financial Instruments". Except for the specific treatments as detailed below, at each reporting date, the Federation measures a loss allowance for a financial asset at an amount equal to the lifetime ECL if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Federation measures the loss allowance for that financial asset at an amount equal to 12-month ECL.

Notes to the Financial Statements

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Financial instruments (Continued)

Impairment of financial assets (Continued)

Measurement of ECL

ECL is a probability-weighted estimate of credit losses (i.e. the present value of all cash shortfalls) over the expected life of the financial instrument.

For financial assets, a credit loss is the present value of the difference between the contractual cash flows that are due to an entity under the contract and the cash flows that the entity expects to receive.

Lifetime ECL represents the ECL that will result from all possible default events over the expected life of a financial instrument while 12-month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

Loss allowance is remeasured at each reporting date to reflect changes in the financial instrument's credit risk and loss since initial recognition. The resulting changes in the loss allowance are recognised as an impairment gain or loss in profit or loss with a corresponding adjustment to the carrying amount of the financial instrument.

Definition of default

The Federation considers the following as constituting an event of default for internal credit risk management purposes as historical experience indicates that the Federation may not receive the outstanding contractual amounts in full if the financial instrument that meets any of the following criteria.

- (i) information developed internally or obtained from external sources indicates that the debtor is unlikely to pay its creditors, including the Federation, in full (without taking into account any collaterals held by the Federation); or
- (ii) there is a breach of financial covenants by the counterparty.

Assessment of significant increase in credit risk

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Federation compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition. In making this assessment, the Federation considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort. In particular, the following information is taken into account in the assessment:

- the debtor's failure to make payments of principal or interest on the due dates;
- an actual or expected significant deterioration in the financial instrument's external or internal credit rating (if available);
- an actual or expected significant deterioration in the operating results of the debtor; and
- actual or expected changes in the technological, market, economic or legal environment that have or may have a significant adverse effect on the debtor's ability to meet its obligation to the Federation.

Notwithstanding the foregoing, the Federation assumes that the credit risk on a financial instrument has not increased significantly since initial recognition if the financial instrument is determined to have low credit risk at the reporting date.

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Financial instruments (Continued)

Impairment of financial assets (Continued)

Low credit risk

Per HKFRS 9, a financial instrument is determined to have low credit risk if:

- (i) it has a low risk of default;
- (ii) the borrower has a strong capacity to meet its contractual cash flow obligations in the near term; and
- (iii) adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations.

Credit-impaired financial asset

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Evidence that a financial asset is credit-impaired include observable data about the following events:

- (a) significant financial difficulty of the issuer or the borrower.
- (b) a breach of contract, such as a default or past due event.
- (c) the lender(s) of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession(s) that the lender(s) would not otherwise consider.
- (d) it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation.
- (e) the disappearance of an active market for that financial asset because of financial difficulties.
- (f) the purchase or origination of a financial asset at a deep discount that reflects the incurred credit losses.

Write-off

The Federation writes off a financial asset when the Federation has no reasonable expectations of recovering the contractual cash flows on a financial asset in its entirety or a portion thereof. However, financial assets that are written off could still be subject to enforcement activities under the Federation's procedures for recovery of amounts due, taking into account legal advice if appropriate. Any subsequent recovery is recognised in profit or loss.

Leases

The Federation assesses whether a contract is, or contains, a lease at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As lessee

The Federation applies the recognition exemption to short-term leases and low-value asset leases. Lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

The Federation has elected not to separate non-lease components from lease components, and accounts for each lease component and any associated non-lease components as a single lease component.

The Federation accounts for each lease component within a lease contract as a lease separately. The Federation allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component.

Notes to the Financial Statements

Year ended 31 March 2023

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Leases (Continued)

As lessee (Continued)

Amounts payable by the Federation that do not give rise to a separate component are considered to be part of the total consideration that is allocated to the separately identified components of the contract.

The Federation recognises a right-of-use asset and a lease liability at the commencement date of the lease.

The right-of-use asset is initially measured at cost, which comprises

- (a) the amount of the initial measurement of the lease liability;
- (b) any lease payments made at or before the commencement date, less any lease incentives received;
- (c) any initial direct costs incurred by the Federation; and
- (d) an estimate of costs to be incurred by the Federation in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease, unless those costs are incurred to produce inventories.

Subsequently, the right-of-use asset is measured at cost less any accumulated depreciation and any accumulated impairment losses and adjusted for any remeasurement of the lease liability. Depreciation is provided on a straight-line basis over the shorter of the lease term and the estimated useful lives of the right-of-use asset as follows:

Office premises	Over the term of lease
-----------------	------------------------

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date of the contract.

The lease payments included in the measurement of the lease liability comprise the following payments for the right to use the underlying asset during the lease term that are not paid at the commencement date:

- (a) fixed payments (including in-substance fixed payments), less any lease incentives receivable; and
- (b) payments of penalties for terminating the lease, if the lease term reflects the Federation exercising an option to terminate the lease.

The lease payments are discounted using the interest rate implicit in the lease, or where it is not readily determinable, the incremental borrowing rate of the lessee.

Subsequently, the lease liability is measured by increasing the carrying amount to reflect interest on the lease liability and by reducing the carrying amount to reflect the lease payments made.

Cash equivalents

For the purpose of the statement of cash flows, cash equivalents represent short-term highly liquid investments which are readily convertible into known amounts of cash with maturity less than 3 months and which are subject to an insignificant risk of changes in value, net of bank overdrafts. For classification in the statement of financial position, cash equivalents represent assets similar in nature to cash and which are not restricted as to use.

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Revenue recognition

Subvention and programme income

Subvention and programme income, including sponsorship income are recognised when the Federation's rights to receive payment have been established and the conditions have been fulfilled.

Dividend income

Dividend income from financial assets is recognised when the Federation's rights to receive dividend is established, provided that it is probable that the economic benefits associated with the dividend will flow to the Federation and the amount of the dividend can be measured reliably.

Revenue from contracts with customers within HKFRS 15

The nature of the goods or services provided by the Federation is as follows:

Service A: Drug test service under discontinued operation.

Service B: Entry fees for Olympic events and income from officers and members.

Service C: Licensing income.

Services A and B

Identification of performance obligations

At contract inception, the Federation assesses the goods or services promised in a contract with a customer and identifies as a performance obligation each promise to transfer to the customer either:

- (a) a good or service (or a bundle of goods or services) that is distinct; or
- (b) a series of distinct goods or services that are substantially the same and that have the same pattern of transfer to the customer.

A good or service that is promised to a customer is distinct if both of the following criteria are met:

- (a) the customer can benefit from the good or service either on its own or together with other resources that are readily available to the customer (i.e. the good or service is capable of being distinct); and
- (b) the Federation's promise to transfer the good or service to the customer is separately identifiable from other promises in the contract (i.e. the promise to transfer the good or service is distinct within the context of the contract).

Timing of revenue recognition

Revenue is recognised when (or as) the Federation satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

The Federation transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- (a) the customer simultaneously receives and consumes the benefits provided by the Federation's performance as the Federation performs;
- (b) the Federation's performance creates or enhances an asset (for example, work in progress) that the customer controls as the asset is created or enhanced; or
- (c) the Federation's performance does not create an asset with an alternative use to the Federation and the Federation has an enforceable right to payment for performance completed to date.

Notes to the Financial Statements

Year ended 31 March 2023

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Revenue recognition (Continued)

Revenue from contracts with customers within HKFRS 15 (Continued)

Timing of revenue recognition (Continued)

If a performance obligation is not satisfied over time, the Federation satisfies the performance obligation at a point in time when the customer obtains control of the promised asset. In determining when the transfer of control occurs, the Federation considers the concept of control and such indicators as legal title, physical possession, right to payment, significant risks and rewards of ownership of the asset, and customer acceptance.

Drug Test service is recognised at a point in time when the testing report is issued.

Entry fees for Olympic events and Events income from officers and members are recognised at a point in time when the events conducted successfully for participants.

Service C

Licensing income

The Federation has entered into a number of agreements with licensees under which the Federation grants the licensees rights to use the Federation's intellectual property (being the Olympic emblem of the Federation). In return, the Federation is entitled to fixed annual payments, which are stated in the agreements.

HKFRS 15 requires an entity to determine whether an entity's promise to grant a license is a right to access the entity's intellectual property (with consideration being recognised as revenue over time) or a right to use the entity's intellectual property (with consideration being recognised as revenue at a particular point in time). Based on the specific requirements under HKFRS 15, an entity's promise to grant a license is a right to access the entity's intellectual property when all of the following criteria are met:

- (a) the contract requires, or the customer reasonably expects, that the entity will undertake activities that significantly affect the intellectual property to which the customer has rights;
- (b) the rights granted by the licence directly expose the customer to any positive or negative effects of the entity's activities identified in (a) above; and
- (c) those activities do not result in the transfer of a good or a service to the customer as those activities occur.

Having assessed the terms of the related agreements and the specific facts and circumstances, the directors concluded that all of the abovementioned criteria are satisfied and concluded that the licensing income should be recognised over time.

Interest income

Interest income from financial assets is recognised using the effective interest method. For financial assets measured at amortised cost that are not credit-impaired, the effective interest rate is applied to the gross carrying amount of the assets while it is applied to the amortised cost (i.e. the gross carrying amount net of loss allowance) in case of credit-impaired financial assets.

Notes to the Financial Statements

Year ended 31 March 2023

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Contract assets

If the Federation grants the license to a customer before the customer pays consideration or before payment is due, the contract is presented as a contract asset, excluding any amounts presented as a receivable. A receivable is the Federation's right to consideration that is unconditional or only the passage of time is required before payment of that consideration is due.

For the business of Service C, in accordance with the standard payment schedules of the Federation, payments are normally not due or received. However, for such transactions, revenue is recognised over time and therefore, a contract asset is recognised until it becomes a receivable or payments are received. During that period, any significant financing components, if applicable, will be included in the contract asset and recognised as interest income.

Employee benefits

Short term employee benefits

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and gratuity are accrued in the period in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

Defined contribution plans

The obligations for contributions to defined contribution retirement scheme are recognised as an expense in profit or loss as incurred. The assets of the scheme are held separately from those of the Federation in an independently administered fund.

Government grants

Government grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. When the grant relates to an expense item, it is recognised as income over the years necessary to match the grant on a systematic basis to the costs that it is intended to compensate. Where the grant relates to an asset, the fair value is credited to a deferred income account and is released to profit or loss over the expected useful life of the relevant asset to match the depreciation charge.

Foreign currency translation

The financial statements are presented in the currency of Hong Kong dollars, which is the Federation's functional and presentation currency.

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

Notes to the Financial Statements

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Taxation

The charge for current income tax is based on the results for the year as adjusted for items that are non-assessable or disallowed. It is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is provided, using the liability method, on all temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, any deferred tax arising from initial recognition of goodwill; or other asset or liability in a transaction other than a business combination that at the time of the transaction affects neither the accounting profit nor taxable profit or loss is not recognised.

The deferred tax liabilities and assets are measured at the tax rates that are expected to apply to the year when the asset is recovered or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the end of the reporting period.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences, tax losses and credits can be utilised.

Related parties

A related party is a person or entity that is related to the Federation.

- (a) A person or a close member of that person's family is related to the Federation if that person:
 - (i) has control or joint control over the Federation;
 - (ii) has significant influence over the Federation; or
 - (iii) is a member of the key management personnel of the Federation.
- (b) An entity is related to the Federation if any of the following conditions applies:
 - (i) one entity is a subsidiary, an associate or joint venture of the other entity.
 - (ii) the entity is a post-employment benefit plan for the benefit of employees of either the Federation or an entity related to the Federation.
 - (iii) the entity is controlled or jointly controlled by a person identified in (a).
 - (iv) a person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity.
 - (v) the entity, or any member of a group of which it is a part, provides key management personnel services to the Federation.

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity and include:

- (a) that person's children and spouse or domestic partner;
- (b) children of that person's spouse or domestic partner; and
- (c) dependants of that person or that person's spouse or domestic partner.

In the definition of a related party, an associate includes subsidiaries of the associate and a joint venture includes subsidiaries of the joint venture.

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Critical accounting estimates and judgements

Estimates and assumptions concerning the future and judgements are made by the management in the preparation of the financial statements. They affect the application of the Federation's accounting policies, reported amounts of assets, liabilities, income and expenses, and disclosures made. They are assessed on an on-going basis and are based on experience and relevant factors, including expectations of future events that are believed to be reasonable under the circumstances. Where appropriate, revisions to accounting estimates are recognised in the period of revision and future periods, in case the revision also affects future periods.

Key sources of estimation uncertainty

Loss allowance for ECL

The Federation's management estimates the loss allowance for amount due from related companies and contract assets by using various inputs and assumptions including risk of a default and expected loss rate. The estimation involves high degree of uncertainty which is based on the Federation's historical information, existing market conditions as well as forward-looking estimates at the end of each reporting period. Where the expectation is different from the original estimate, such difference will impact the carrying amount of for amount due from related companies and contract assets. Details of the key assumption and inputs used in estimating ECL are set out in note 27 to the financial statements.

Future changes in HKFRSs

At the date of authorisation of these financial statements, the HKICPA has issued a number of new / revised HKFRSs that are not yet effective for the current year, which the Federation has not early adopted. The directors do not anticipate that the adoption of the new / revised HKFRSs in future periods will have any material impact on the results of the Federation.

The Federation leases office premises for its daily operations for a 5-year lease term.

Restrictions or covenants

The leases impose a restriction that, unless the approval is obtained from the lessor, the right-of-use asset can only be used by the Federation and the Federation is prohibited from selling or pledging the underlying assets. The Federation is also required to keep those properties in a good state of repair and return the properties in their original condition at the end of the lease.

Commitments under leases

There was no commitment under leases at 31 March 2023.

At 31 March 2022, the Federation was committed HK\$240,000 for short-term lease.

Sports Federation & Olympic Committee of Hong Kong, China

Notes to the Financial Statements

Year ended 31 March 2023

25. MAJOR NON-CASH TRANSACTIONS

During the year, the Federation received goods and services which were recognised as expenses with an aggregate cost value of HK\$3,781,162 (2022: HK\$5,061,564), as a result of sponsorship and government grants contributed in kind.

26. RELATED PARTY TRANSACTION

In addition to the transactions / information disclosed elsewhere in these financial statements, during the year, the Federation had the following significant transactions with its related parties:

Related party relationship	Nature of transaction	2023 HK\$	2022 HK\$
Management Company of Olympic House Limited (Company with common directors)	Venue and equipment rental expenses	(35,842)	(36,942)
	Sundry expenses	(22,750)	(6,370)
	Rental expenses	(4,000)	-
	Tea refreshment service expenses	(4,445)	(5,775)
	Car park rental expenses	(260)	(338)
	Office management fee	(149,040)	(149,040)
	Telephone handset fee	-	(1,200)
	Sundry income - driver costs	99,480	97,050
		<u>(497,281)</u>	<u>-</u>
SF&OC Sports Legacy Company Limited (Company with common directors)	Service fee & expenses for Sports Legacy Scheme	(724,605)	(891,053)

27. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The main purpose of these financial instruments is to raise and maintain finance for the Federation's operations. The Board of directors considers that the Federation's exposures to interest rate risk were insignificant at the end of the reporting period, as there were no interest-bearing borrowing and the impact on interest rate changes of bank deposits were not significant. As a result, the main risks associated with these financial assets and financial liabilities are price risk, credit risk and liquidity risk. The Federation does not have written risk management policies and guidelines. However, the Board of directors generally adopts conservative strategies on its risk management and limits the Federation's exposure to these risks to a minimum.

27. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

Price risk

The Federation's Designated FVOCI are measured at fair value at the end of each reporting period with reference to the quoted price. Therefore, the Federation is exposed to price risk and the management monitors the price movements and takes appropriate actions when required.

At the end of the reporting period, if the equity price to the valuation model had been 10% (2022: 10%) higher / lower while all other variables were held constant, the Federation's net surplus / deficit would have been unaffected since all the equity investments are classified as Designated FVOCI. Investment Revaluation Reserve Fund (non-recycling) deficit would be decreased / increased by HK\$1.93 million (2022: HK\$2.08 million) as a result of changes in fair value of Designated FVOCI.

In addition, the Federation's financial assets at FVPL are measured at fair value at the end of each reporting period with reference to the quoted price. Therefore, the Federation is also exposed to price risk in this respect.

Sensitivity analysis:

	Decrease (Increase) in deficit and increase (decrease) in net assets of the Federation	
	10% increase in market price HK\$	10% decrease in market price HK\$
As at 31 March 2023	22,330,000	(22,330,000)
	Decrease (Increase) in deficit and increase (decrease) in net assets of the Federation	
	10% increase in market price HK\$	10% decrease in market price HK\$
As at 31 March 2022	23,634,000	(23,634,000)

The sensitivity analysis has been determined assuming that the reasonably possible changes in the stock market index or other relevant risk variables had occurred at the end of the reporting period and had been applied to the exposure to equity price risk in existence at that date. It is also assumed that the fair values of the Federation's investments would change in accordance with the historical correlation with the relevant stock market index or the relevant stock market index or the relevant risk variables, and that all other variables remain constant. The stated changes represent management's assessment of reasonably possible changes in the relevant stock market index or the relevant risk variables over the period until the next annual end of the reporting period. The analysis is performed on the same basis for 2022.

27. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

Credit risk

The credit risk of the Federation is primarily attributable to financial assets at FVPL, receivables, deposits, contract assets, amounts due from related companies and bank balances and time deposits.

The carrying amount of financial assets recognised on the statement of financial position represents the Federation's exposure to credit risk without taking into account the value of any collateral held or other credit enhancements.

Financial assets at FVPL

The Federation invests only in securities with good credit rating counterparties, as such the risk of default is also considered minimal.

Receivables, deposits, contract assets and amounts due from related companies

The Federation considers that the receivables, deposits, contract assets and amounts due from related companies have low credit risk based on the counterparties' strong capacity to meet its contractual cash flow obligations in the near term and low risk of default. Impairment on receivables measured on 12-month ECL and reflects the short maturities of the exposures.

In estimating the ECL of receivables, deposits, contract assets and amounts due from related companies, the Federation has taken into account the historical actual credit loss experience over the past years and the financial position of the counterparties, adjusted for forward-looking factors that are specific to the debtors and general economic conditions of the industry in which the counterparties operate, in estimating the probability of default of these financial assets, as well as the loss upon default in each case. The management of the Federation considers the ECL of these financial assets to be insignificant after taking into account the financial position and credit quality of the counterparties. There was no change in the estimation techniques or significant assumptions made during the year.

Bank balances and time deposits

The Federation considers that the exposure to credit risk arising from bank balances and time deposits is limited because the counterparties are banks with sound credit rating, for which the Federation considers to have low credit risk.

Liquidity risk

The Federation's policy is to regularly monitor current and expected liquidity requirements to ensure that the Federation maintains sufficient reserves of cash and cash equivalents to meet its liquidity requirements in the short and longer term. The Federation's financial liabilities at the end of reporting period based on contractual undiscounted cash flow are all due for payment within one year or on demand.

27. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

Fair value measurements

The carrying value of financial instruments are measured at fair value at 31 March 2023 across the three levels of the fair value hierarchy defined in HKFRS 13, *Fair Value Measurement*, with the fair value measurement categorised in its entirety based on the lowest level of input that is significant to the entire measurement. The levels are defined as follows:

- Level 1 (highest level): quoted prices (unadjusted) in active markets for identical assets and liabilities that the Federation can access at the measurement date;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3 (lowest level): unobservable inputs for the asset or liability.

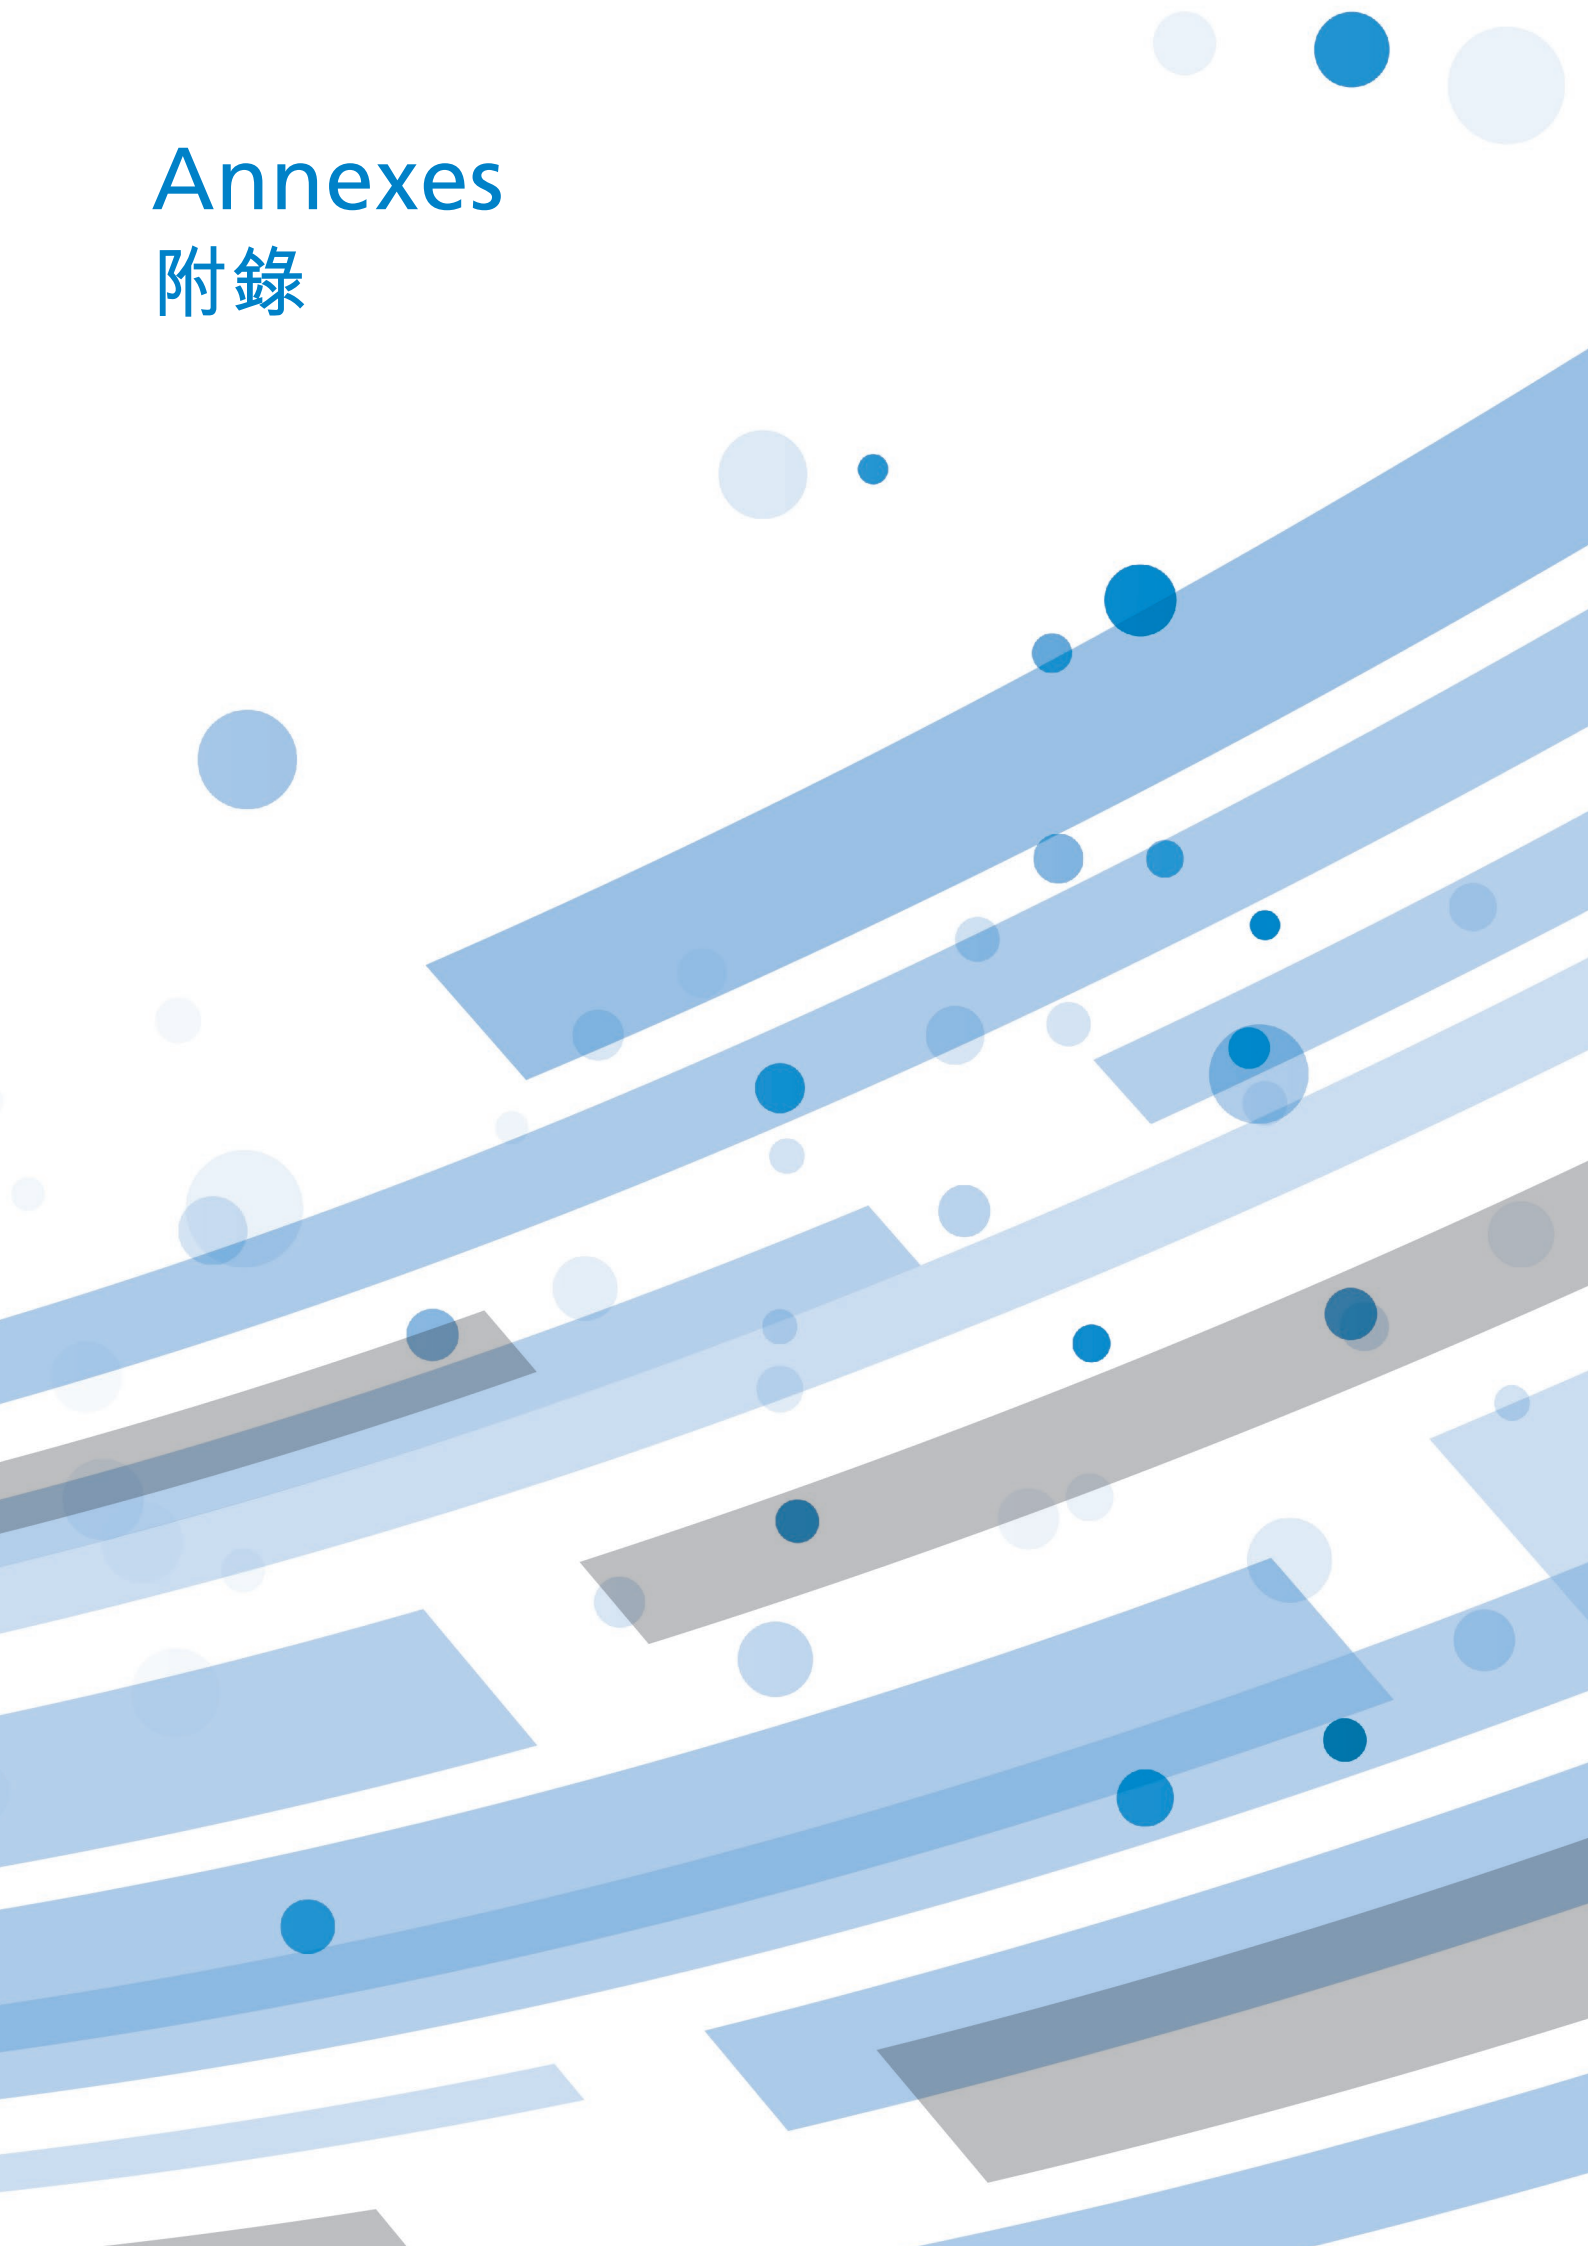

The fair value of all the Federation's Designated FVOCI and financial assets at FVPL are measured based on Level 1 inputs. During the year ended 31 March 2023, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfers into and out of Level 3 fair value measurements.

28. CAPITAL MANAGEMENT

The objectives of the Federation's capital management are to safeguard its ability to continue as a going concern for its development and promotion of sports objectives. The Federation manages its cumulated funds available and makes adjustments to these funds in light of changes in economic conditions and business strategies. To manage the funds, the Federation may adjust the use of its reserve or raise fund and repay debts.
